EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 600 A, and 500 B)), so far as it relates to aliens arriving (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of the alien at the time of arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, lace polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who owns a farm, or rents one for cash or for a share of the crops.

A farm laborer is one who works on a farm for an employer who operates it.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town, of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes—ticket or No—no ticket.

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place—as, 1901-07, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to ——.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B) so far as it relates to aliens arriving—including those in transit and tourists—should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, by all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should show, as definitely and accurately as possible the occupation (trade, profession, or other calling) pursued by each alien. Such terms as Civil engineer, stationary engineer, locomotive engineer, mining engineer, electrical engineer, railroad engineer, steel polisher, iron molder, wood turner, etc., are sufficiently explicit to indicate precisely the alien's trade. Merely stating "engineer" or "molder" or "turner," or other indefinite designation, is insufficient.

A distinction should be made between [illegible] regardless of the amount of money shown as follows:

A farmer is one who owns a farm and cultivates it.

A farm laborer is one who works on a farm for [illegible] and who cultivates it.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). Now—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

NEGRO (BLACK).

"African (Black)" refers to the African Negro, whether coming from Africa or other islands of the West Indies, North or South America, Europe, or Asia. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (a section popularly [illegible] Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether born in Italy, Switzerland, America, [illegible] other country, should be classed as Italian (north). Most of these people speak chiefly dialects of the Italian language.

ITALIAN (SOUTH).

The people who are native to the [illegible] Italy, [illegible] Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as Italian (south).

Column 10 (Last residence).—The entry in column 10 should [illegible] and the place (city or town, if possible) of last permanent residence, not temporary visit or sojourn.

Column 11 (Whether having a ticket through to destination).—The entry in column 11 should be either Yes—Yes (has ticket) or No—No (has no ticket).

Column 12 (By whom was passage paid).—The entry in column 12 should show definitely by whom passage was paid, as "self, husband, father, brother, or other relative (name), steamship company, etc."

Column 13 (Whether in possession of $50, and if less, how much).—The entry in column 13 should give in each case individual or family, the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 14 (Whether ever before in the United States, and if so, when and where).—The entries in column 14 should show whether or not Yes or No in the United States before, and if so, the year or period of years, and place; as 1894-97, Philadelphia.

Column 15 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 15 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (excluding those in transit and tourists), should be made in accordance with the following instructions. The number of the column on the manifest is given in these special instructions, and is followed, in parentheses, in all cases up to and including column 6, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should show as accurately as possible the occupation, trade, or profession of each alien, as, for example, Civil engineer, stationary engineer, locomotive engineer, machinist, cabinetmaker, jeweler, steel polisher, iron molder, wood turner, etc., rather than merely laborer, engineer, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A farmer is one who owns a farm, whether encumbered or not.

A farm laborer is one who works on a farm for wages or a share of the crops.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be returned to mean the country of which immigrant is a citizen or subject and not merely of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba—not Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native or from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates admixture of negro blood is to be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po—northern Italy—i. e., comprising Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, whether residents of Italy, Switzerland, Austria, France, or countries other than Italy, should be classed as "Italian (north)." Most of these people speak French or German in addition to the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of, and including, the Provinces of Leghorn, Tuscany, Massa, Lucca, Umbria, Marches, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10 (Can read what).—The entry in column 10 should show the *country and tongue* of last permanent residence, that is, the country of birth.

Column 11 (Can write what).—The entry in column 11 should show the country in place of town or kind of description.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes—Ticket or No—No ticket.

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not "Yes" or "No" in the United States before; and if so, the year or period of years and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relatives or friend, and if so, what relatives or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to —.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 500, 500 A, and 500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). The entry of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Calling (Column 6—occupation). The entry in column 6 should be the occupation, separately and specifically stated, of each person, even when a child or wife, as Laborer, Servant-girl, Farmer, Merchant, Engineer, Clerk, Tailor, Tailoress, Shoemaker, Carpenter, Bricklayer, Mason, Painter, Blacksmith, Butcher, Baker, Seamstress, Milliner, Dressmaker, Stenographer, Typewriter, Bookkeeper, Civil engineer, Stationary engineer, Locomotive engineer, Mining engineer, Surveyor, Physician, Trained nurse, Lawyer, Notary public, Teacher, Professor, Clergyman, Author, Editor, Journalist, Musician, Actor, Actress, Artist (painter, sculptor, etc.), Dancer, Showman, Circus performer, Acrobat, Gymnast, Jockey, Sailor, Fisherman, Hunter, Guide, Soldier, Officer, Government official, Policeman, Boatman, Chauffeur, Aviator, Aeronaut, Horseshoer, Stableman, Groom, Coachman, Driver, Miner, Quarryman, Well-driller, Well-digger, Stone-cutter, Lime-burner, Cement-worker, Plasterer, Roofer, Slater, Tinner, Plumber, Gas-fitter, Steam-fitter, Sheet-iron worker, Ship-fitter, Boilermaker, Structural-iron worker, Riveter, Glazier, Painter (ordinary), Paper-hanger, Upholsterer, Furniture-maker, Cabinet-maker, Wood-worker, Carpet-sewer, Weaver, Dyer, Textile-worker, Hosiery-worker, Glove-worker, Tanner, Currier, Shoemaker, Harness-maker, Saddler, Trunk-maker, Pocketbook-maker, Bag-maker, Canvas-worker, Rope-maker, Sail-maker, Tent-maker, Awning-maker, Basket-maker, Willow-worker, Brush-maker, Broom-maker, Mattress-maker, Feather-renovator, Bed-renovator, Comforter-maker, Quilter, Custom tailor, Custom dressmaker, Custom milliner, Custom shoemaker, Custom furrier, Custom hatter, Custom cap-maker, Custom glover, Custom corset-maker, Custom shirt-maker, Custom upholsterer, Custom painter, Custom paper-hanger, Custom decorator, Custom furniture-maker, Custom cabinet-maker, Custom harness-maker, Custom saddler, Custom trunk-maker, Custom pocketbook-maker, Custom bag-maker, Custom tent-maker, Custom awning-maker, Custom mattress-maker, Custom feather-renovator, Custom bed-renovator, Custom comforter-maker, Custom quilter, Jeweler, Watchmaker, Engraver, Goldsmith, Silversmith, Metal-polisher, Iron molder, Brass molder, Core-maker, Pattern-maker, Wood-turner, or other industry, engineer, or craftsman.

Steamship companies should make this distinction in the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). Column 7 is subdivided and the entry therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of British Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba, not Negroes.

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether a native of Africa, Cuba, or the islands of the West Indies, North or South America, Europe, or Asia. Any alien whose appearance indicates an admixture of negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the Po River in northern Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Liguria and their dependencies), who reside in Italy, Switzerland, Austria-Hungary, or elsewhere, should be classed as "Italian (north)." EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to all arrivals, including those in transit and tourists, should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). The entry in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should indicate as accurately as possible the occupation, trade, or profession of each alien. A laborer, a Civil engineer, stationary engineer, locomotive engineer, engineer (not specified), a steel polisher, iron molder, wood turner, engine fitter, cabinet maker, machinist, polisher, molder, turner, or other indefinite designation.

A distinction should be made between [illegible] regardless of the amount of money she may have.

A farmer is one who operates a farm, whether owning it or working it for others.

A farm laborer is one who works on a farm for wages or compensation.

Steamship companies should make the distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). Column 7 is subdivided and the entry therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 9 (Race or people). The entry in column 9 should show the race of people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following discussions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

Column 10 (Last residence). The entry in column 10 should show the country and city of last permanent residence, [illegible].

Column 11 (Final destination). The entry in column 11 should show the place, town, or town of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

The number of the column on the manifest is given in these special instructions and is followed, in parentheses, by all words up to and including column 20, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The entry in column 3 should be exact used in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A farmer is one who owns a farm or tills land, either himself or others.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

In this connection the following distinctions should be carefully observed.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 1500, 1500A, and 1500B, new numbers 500, 500A, and 500B) is similar as it relates to aliens generally (including those in transit and tourists), should be made in accordance with the following specifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, by an address up to and including the column by descriptive title indicating briefly the subject to which it relates.

Column 2 (Age).—The entry in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M for male or F for female.

Column 4 (Married or single).—The entry in column 4 should be either M for married or S for single. Widowed and divorced persons should be returned as single.

Column 5 (Calling or occupation).—The entry in column 5 should state as accurately as possible the occupation, trade, or profession of each alien. Such terms as laborer, Civil engineer, stationary engineer, boilermaker, machinist, carpenter, cabinetmaker, tailor, steel polisher, iron molder, wood turner, clerk, housekeeper, servant, painter, molder, turner, or other indefinite designations

A distinction should be made between [illegible] indicating the amount of money shown as follows.

A farmer is one who owns or rents and cultivates a farm.

A farm laborer is one who works on a farm for wages.

Steamship companies should make this distinction in the manifests. Such corrections should be made, if necessary, by inspectors and reporters during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided, and the entry in column 7 should be either Yes—Yes, can read and write. Yes—No, can read but not write. No—No, can neither read nor write. or Yes—No can read but not write.

Column 8 (Nationality).—Column 8 should be confined to naming the country of which immigrant is a citizen or subject and not the country of last previous residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and reporters clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French," appearing on a manifest, does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negro).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuban or Negro).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, who is a native of Africa or other islands of the West Indies, Central or South America, Europe, or Africa. An alien whose appearance indicates an admixture of negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the Black Po and northern Italy (i. e., provinces of Piedmont, Lombardy, Venetia, and Emilia) and their descendants (whether descendants of Italy, Switzerland, Austria, Hungary, [illegible] should be classed as "Italian (north)." Most of these people [illegible] Gaelic, and other Latin races.

ITALIAN (SOUTH).

The people who are natives of the provinces of Italy south of and including Tuscany, Umbria, Marches, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent home).—The entry in column 10 should show the country and subdivision of last permanent home, not the place of departure.

Column 11 (Final destination).—The entry in column 11 should show the name of the place—city or town—of final destination.

Column 12 (Whether going to join relative or friend, and if so, what relative or friend, with name and complete address).—The entry in column 12 should be either Yes or No, no ticket.

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid as self, by [illegible] father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 and if less, how much).—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be decided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to [illegible].—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals, including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (*Age*). The entry in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*). The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

A farmer is one who owns a farm, either free or mortgaged, or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Able to read and write*). Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

Steamship companies should make the distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes can read and write; No—No can neither read nor write; or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the peoples of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, who is a native of Africa, or other islands of the West Indies, North or South America, or Europe. Any alien who appears to indicate admixture of black blood is to be classified under this head.

ITALIAN (SOUTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the old kingdom Lombardy, Venetia, and Piedmont) and their descendants, wherever residing, in Italy, Switzerland, Austria-Hungary, or elsewhere. Their country should be stated as "Italy."

Most of these people speak the Italian language.

HEBREW.

The people who are native to Palestine, and their descendants, wherever residing, in Europe, Asia, Africa, America, Australia, or elsewhere. Their country should be stated as "Palestine."

Most of these people speak the Yiddish language.

Column 10 (Last residence).—The entry in column 10 should be the country and city or town of last permanent residence, as "France, Paris," or "Germany, Berlin."

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year or period of years, and place, as, 1894, Philadelphia.

Column 16 (Whether going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to ...—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.

The information returned on the manifest Forms 1500, 1500-A, and 1500-B (new numbers 500, 500-A, and 500-B), so far as it relates to alien arrivals, including those in transit and tourists, should be made in accordance with the following classifications. The number of the column as the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 9, by the descriptive title, indicating briefly the subject to which it relates.

Column 3 (Age).—The entry in column 3 should be in figures, the age in years or months, the latter applying only to infants under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should be one which accurately describes the occupation, trade, profession, or calling of each alien, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, marble polisher, steel polisher, iron molder, wood turner, etc., and not simply engineer, polisher, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and instructions should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be returned to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Columns 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean French by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of natal kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN OR NEGRO.

"African (black)" refers to the African Negroes, who themselves or from Cuba or other islands of the West Indies. North or South America, Europe, or Africa. Any other appearance indicates an admixture of negro blood and should not be dealt under this designation.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (including the provinces of Piedmont, Lombardy, Venetia, and Liguria), and those descended from them, residing in Italy, Switzerland, Austria, Hungary, or other countries, should be classed as "Italian (north)." Most of these people can be identified by the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the provinces of Leghorn, Florence, Arezzo, Perugia, Ancona, Pesaro, and Urbino, including the Campagna, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and those descended from the people of these districts, should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, instead of country from which sailed.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether ticket prepaid by self or friend, final destination).—The entry in column 12 should be either Yes—to ket—No—no ticket.

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friends, steamship company, etc.

Column 14 (Whether in possession of $50 and if less, how much).—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to ——.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to the arrivals, including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 4 (Age). The entry in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex). The entry in column 5 should be M (male) or F (female).

Column 6 (Married or single). The entry in column 6 should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation). The entry in column 7 should be made as accurately as possible the occupation, trade, or profession of each alien, as, for example, Civil engineer, stationary engineer, locomotive engineer, stone mason, stone cutter, steel polisher, iron molder, wood turner, clerk, servant, laborer, tailor, molder, tinner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown.

A farmer is one who owns a farm, either for himself or others.

A farm laborer is one who works on a farm for the farmer who owns it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 9 (Able to read and write). Column 9 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

ALIEN (Black).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates admixture of negro blood should be classed under this head.

ITALIAN (North).

The people who are natives to the basin of the Rivers Po and Adige in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, Emilia, and Liguria), and who are residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak the Gallic dialect of the Italian language.

ITALIAN (South).

The people who are natives to the portion of Italy south of the basin of the Rivers Po and Adige (i. e., compartimenti of Liguria, Tuscany, Marches, Umbria, Abruzzi e Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and who are residing in Italy, should be classed as "Italian (south)."

Column 10 (Last residence). The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to said final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). The entries in column 15 should show whether or not Yes or No, in the United States before; and if so, the year or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend). The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 22. The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The entry in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as by example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, lens polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *no occupation* and *laboring*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided, and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

NEGRO (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this head.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak Gallo-Venetian, one of the Italian languages.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country, and city or town of last permanent residence, whether in Europe, Asia, or elsewhere.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (tickets) or No (no tickets).

Column 13 (By whom were passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year (or period of years) and place, as, 1894, Philadelphia.

Column 16 (Going to join relatives or friends, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 20.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 4 (Age). The entry of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex). The entry in column 5 should be either M (male) or F (female).

Column 6 (*Married or single*). The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown.

A farmer is one who owns a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*). Column 8 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICA (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

The people who are native to the basin of the River Po in northern Italy (i. e., comprising those of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or elsewhere, should be classified as Italian (north). The people who are native to that portion of Italy south of the line of the Rivers Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as Italian (south).

Column 11 (*Last residence*). The entry in column 11 should show the *country and city or town* of last permanent residence, instead of the seaport city or town.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

The people who are native to the Kingdom of Italy, i. e., the inhabitants of Northern Italy (the provinces of Piedmont, Lombardy, Venetia, and Liguria) and Italy and Sicily descendants (whether residing in Italy, Switzerland, Austria-Hungary, or elsewhere) should be classed as "Italian (north)." Most of these people [illegible] Italian language.

CORSICAN.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as 1901-07, Philadelphia.

Column 16 (Whether going to join relatives or friend, and if so, what relative or friends).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500-A, and 1500-B (new numbers 500, 500-A, and 500-B)], so far as it relates to [illegible] including those in transit and tourists, should be made in accordance with the following specifications. The number of the column on the manifest to which, in these special instructions, and in [illegible] indicating briefly the subject to be [illegible].

Column 3 (Age).—The entry in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M, male, or F, female.

Column 5 (Married or single.)—The entry in column 5 should be either M, married; S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation.)—The entry in column 6 should be made as accurately as possible to the occupation, trade, or profession of each person arriving. Do not use indefinite terms like "laborer" or "clerk." Such designations are meaningless. Give definite description. Examples: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, [illegible], machinist, marble polisher, molder, turner, or other indefinite designation.

A distinction should be made between *laborer* and *farmer*, regardless of the amount of money shown in 9 below.

A farmer is one who owns or rents a farm and cultivates it.

A farm laborer is one who works on a farm for the man who cultivates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 9 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba and Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

GERMAN, HEBREW.

"German, Hebrew" refers to the German people and Hebrews.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., the provinces of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether resident in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of the people of Tuscany, Umbria, Marche, and Lazio (Italian Provinces)

[illegible]

The people who are native to the part of Italy south and east of the basin of the River Po (i. e., the provinces of Liguria, Tuscany, Umbria, Marche, Lazio, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country* and *city or town* of last permanent residence of each alien, as, for example, Italy, Rome.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town of its destination.

Column 12 (Whether having a ticket through from the starting point).—The entry in column 12 should be either Yes or No.

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, by [illegible], father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 and if less, how much).—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year or period of years and place, as, 1901-07, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 32.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest Forms 1500, 1500-A, and 1500-B (new numbers 500, 500-A, and 500-B), so far as it relates to each alien arrived, including those in transit and in steerage, should be made in accordance with the following classifications. The number of the column on the printed form is given in these special instructions and is to be followed, in parentheses, in all cases where and including column 10, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The figures of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should designate as accurately as possible the occupation, trade, or profession of each alien named, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, bank cashier, steel polisher, iron molder, wood painter, etc. Do not simply use the word polisher, molder, farmer, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown.

A farmer is an alien who owns or has a tract of land for cultivation.

A farm laborer is one who works for a farmer or other person who operates it.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (can read) or No (can not read), thus:

Yes	No
Can read	Can not read
Can write	Can not write

Column 8 (Nationality).—Column 8 should be restricted to mean the country of which immigrant is a citizen or subject and not the country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South, Central America, or Africa. Any alien of African appearance indicates an admixture of negro blood and goes in under this head.

ITALIAN.

The people who are native to the north of the River Po are northern Italy. The people who are native to the south of the River Po are southern Italy. Natives of Piedmont, Lombardy, Venetia, Tuscany, Modena, Parma, Romagna, Marches, Umbria, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia are southern Italy. Jews from Italy should be classed as "Italian Semitic."

Column 10 (Last residence).—The entry in column 10 should show the *country and city or town* of last permanent residence, and not the temporary stay or visit.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town of ultimate destination.

Column 12 (Whether has money to pay for passage).—The entry in column 12 should be either Yes (ticket) or No (not ticket).

Column 13 (Whether has been in prison, etc.).—The entry in column 13 should show definitely by whom passage was paid as self, husband, father, brother, or other relative; friends; steamship company, etc.

Column 14 (Whether in possession of $50 and if less how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the date or approximate date and place, as 1891, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either's relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 35.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 48.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)), so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 4 (Age). The return of age in more than 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex). The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single). The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, bookkeeper, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, farmer, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money thrown as follows:

A farmer is one who owns or hires a farm, either for himself or others.

A farm laborer is one who works on a farm for wages, the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not the country of last permanent residence.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following definitions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and the descendants should be classed as "Italian (south)."

Column 10 (Last residence). The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination). The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination). The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid). The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much). The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relatives or friends, and if so, what relative or friend). The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22. The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500-A and 1500-B (new numbers 500, 500-A, and 500-B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions, and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 5 (Age).—The return of age in column 5 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, teacher, mason, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown as follows:

A farmer is one who owns a farm, rents one for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes or No. Yes can read and write; No, No can neither read nor write; or Yes, No can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not the country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, not the Negro coming from Cuba or other Islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (North).

The people who are native to the basin of the river Po in northern Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, Emilia, and Liguria, and their descendants now residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a rich dialect of the Italian language.

ITALIAN (South).

The people who are native to that portion of Italy (and Sicily and Sardinia) south of the provinces of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town, of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes, (ticket) or No, (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years and place, as, 1903, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to ——.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFEST.

The information returned on the manifest Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B1), so far as it relates to alien arrivals (including those in transit over the lines), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title or heading briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, ironmolder, wood turner, etc., and not simply engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *tarmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who owns a farm, cultivates it on his own account, or hires others to do so.

A farm laborer is one who works on a farm for wages, whether he owns it or not.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, who they coming from Cuba or other islands of the West Indies, North or South American Europe or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that part of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (tickets) or No (no tickets).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place (as, 1894-96, Philadelphia).

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 32.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)] sorfar as it relates to alien arrivals (including those in transit and 4 aliens), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 19, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farm laborers* and *farmers*, regardless of the amount of money shown as follows:

A farmer is one who owns or rents a farm, either for himself or others.

A farm laborer is one Who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates even a minority of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the Rivers Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the Rivers Po (i. e., compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, first added to the name of city or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (Whether any person paid passage).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A *farmer* is one who owns, hires, or rents a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates any admixture of negro blood (black) to be classified under this heading.

ITALIAN (NORTH).

The people who are natives to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, Spain, or other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi e Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and places as, 1891-97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and steerage), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 19, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe, as accurately as possible, the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, laborer, farmer, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown to follow.

A farmer is one who owns a farm or rents the farm which he operates.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes can read and write; No—No can neither read nor write; or Yes—No can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba and Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence, instead of the following city or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town of final destination.

The entry in column 6 should show as definitely as possible the occupation, trade, or profession of each alien, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *laborer* and *farm laborer*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm for the man who operates it.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). Column 7 is subdivided and the entries therein should be either Y—Yes (can read and write), N—No (can neither read nor write), or Y—No (can read but not write).

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether born in Italy, Switzerland, America, Germany, or any other country, should be classed as "Italian (north)." Most of these people speak the Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to the portion of Italy south (i. e., south of the Rivers Po and Magra, comprising the provinces of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and the descendants should be classed as "Italian (south)."

Column 10 (Last residence). The entry in column 10 should show the *country, and city or town* of last permanent residence, not of a province, city, or town.

The number of the column on the manifest given in these special instructions and is followed in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be entered in years or months, the latter applying only to those under 1 year of age.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who cultivates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or some other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 599, 599 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to aliens only, including those in transit and tourists], should be made in accordance with the following observations. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 6, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The returns of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should show, separately as possible, the occupation, trade, or profession of each alien, as, for example: Civil engineer, stationary engineer, locomotive engineer, cabinetmaker, carpenter, silversmith, steel polisher, iron molder, wood turner, etc., and not such as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *laborers*, regardless of the amount of money shown.

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the one who employs him.

Steamship companies should make this distinction on the manifests, and exceptions should be noted, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 9 (Able to read and write).—Column 9 is subdivided, and the entries therein should be either Yes—Yes (can read and write); No—No (can either read nor write); or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be concerned to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose origin indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the west of the River Po in northern Italy (i. e., comprising the provinces of Liguria, Tuscany, Modena, and Emilia and their descendants, whether residing in Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallo-Italic of the Italian language.

ITALIAN (SOUTH).

The people who are native to Italy south of the basin of the River Po (i. e., comprising the provinces of Liguria, Tuscany, Modena, and Emilia and their descendants, whether residing in Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallo-Italic of the Italian language.

ITALIAN (SOUTH).

The people who are native to Italy south of the basin of the River Po (i. e., comprising the provinces of Liguria, Tuscany, Modena, and Emilia and their descendants, whether residing in Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallo-Italic of the Italian language.

Column 10 (Last residence).—The entry in column 10 should show the country and subdivision of last permanent residence, as England, Scotland, Germany, Russia, Sweden.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town, of final destination.

Column 12 (Whether in possession of $50 and if less how much).—The entry in column 12 should be either Yes, ticket, or No—no ticket.

Column 13 (Whether going to join relatives and friends, and if so, what relatives or friends, and their names and complete address).—The entry in column 13 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Columns 14 (Whether ever before in the United States, and if so, when and where).—The entries in column 14 should show whether or not Yes or No in the United States before; and if so, the year or period of years and place; as, 1901, Philadelphia.

Column 15 (Going to join relatives or friends, and if so, what relative or friend).—The entry in column 15 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17, 18, 19.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., but not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors or registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column [illegible] divided and the entries therein should be either Yes—Yes (can read and write), [illegible] (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 13 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors at the registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is divided and the entries therein should be either Yes—Yes (can read and write), Yes—Yes (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in the north Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 32.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married) S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as given rately as possible the occupation, trade, or profession of each alien arrival, as for example Civil engineer, stationary engineer, locomotive engineer, sewing machine, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is a person who owns a farm, either for himself, or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—No (can read and write). No—No (can neither read nor write). Yes—No (can read but can not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether a native of Africa, Cuba, or other islands of the West Indies, North or South America, Europe, or Africa. Any alien who appears to be of African or mixed negro blood should be [illegible] under this race.

ITALIAN (NORTH).

The people who are native to the basin of the Rhone River, northern Italy, the departments of Piedmont, Lombardy, Venetia, and Emilia, and the inhabitants who reside in the Canton Switzerland, Austria, Hungary, or Italian Tyrol should be classed as "Italian (north)." Most of the people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that part of Italy [illegible] the Papal States, Tuscany, Umbria, Marches, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and the inhabitants who reside in these districts should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence, instead of [illegible] place, city or town, of final destination.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town, of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticked) or No (not ticked).

Column 13 (Whether money was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Columns 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year or period of years and place, as, 1901-9, Philadelphia.

Column 16 (Whether going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to [illegible].—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information to be noted on the manifest [illegible] numbers 500, 500 A, and 500 B [illegible] relates to the aliens [illegible] and manifest, should be made in accordance with the following classified groups. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, by all [illegible] indicating briefly the [illegible] which it relates.

Column 4 (Age). The record of age for infants should be expressed in years or months, the latter applying only to those under 1 year [illegible]

Column 5 (Sex). The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single). The entry in column 6 should be either M (married) S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation). The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien [illegible] Civil engineer, [illegible] locomotive engineer, [illegible] steel polisher, [illegible] farmer, etc., and not simply as laborer, [illegible] farmer, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, to avoid the [illegible] of persons showing as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies [illegible] make the distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read). Column 8 is subdivided and the entries therein should be either Yes. Yes can be [illegible] and written. No. No can be either read nor written. Yes. No can read but [illegible]

Column 9 (Nationality). Column 9 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 10 (Race or people). The entry in column 10 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, a "Frenchman" appearing on a manifest does not necessarily mean "French" as race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

Spanish American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

Africa [illegible] refers to the African Negro, while the [illegible] Cuba [illegible] islands of the West Indies, North or South America, Europe, or Asia. Any other apparent mixture, as the term [illegible] blood, should be classified under the heading

HEBREW.

The people who [illegible] that portion of the Roman Empire [illegible] Department of the Levant, [illegible] Western and Eastern [illegible] Levant, including Egypt, [illegible] Arabia, Persia, Afghanistan, Beloochistan, and India, [illegible] Malay Peninsula, Japan, China, Siberia, and all the peoples [illegible] Pacific Ocean [illegible]

HEBREW (CONTINUED).

The people who [illegible] that portion of the Roman Empire [illegible] Department of the Levant, including Egypt, [illegible] Arabia, Persia, Afghanistan, Beloochistan, and India, [illegible] Malay Peninsula, Japan, China, Siberia, and all the peoples [illegible] Pacific Ocean [illegible]

Column 11 (Last permanent residence). The entry in column 11 should show definitely the country of last permanent residence of each alien.

Column 12 (Final destination). The entry in column 12 should show definitely the place (city or town, if possible) of intended future residence in the United States of each alien.

Column 13 (Whether going to join a relative, and if so, what relative). The entry in column 13 should be either Yes or No. No can be [illegible]

Column 14 (Whether have been previously in the United States, and if so, when and where). The entry in column 14 should show definitely by whom passage was paid, as [illegible] by himself, father, [illegible] friend, [illegible] prepaying ship.

Column 15 (Whether in possession of $50 and if less how much). The entry in column 15 should give in each case [illegible] the exact amount of money shown.

Money brought by [illegible] of a family [illegible] must be [illegible] among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where). The entries in column 16 should show [illegible] or not, Yes or No, in the United States before, and if so, the year [illegible] and places, as, 1901, Philadelphia.

Column 17 (Name and complete address of relative or friend). The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 18. The answers in these columns are subject to revision [illegible] inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

8. The information required on the manifest Forms 500, 500 A, and 500 B (new numbers are 500 A, and 500 B) is to be given in answers corresponding to those in Manifest and therefore should be made in accordance with the following specifications. The number of the column in the manifest is given in the special instructions, and is followed, in parentheses, in all cases (with one exception) by a more descriptive title indicating briefly the subject to which it relates.

Column 1 (age). The return of age in column 1 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (sex). The entry in column 2 should be either M (male) or F (female).

Column 3 (married or single). The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (calling or occupation). The entry in column 4 should describe as accurately as possible the kind of trade or profession of each alien named, as for example: Civil engineer, tailor, clerk, merchant, locomotive engineer, carpenter, cabinetmaker, steel roller, bookkeeper, weaver, dressmaker, engraver, machinist, saddler, tailoress, or other specific designation.

Laborers of all kinds, and all persons coming to perform labor in the United States, should be described as such, and not as *farmers* or *gentlemen*, regardless of the amount of money they may have in their possession.

A farmer is one who owns or rents a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who employs him.

Steamship companies having made the declaration on the manifests, and vessels should be made, if necessary, by inspectors and immigrant stations during the personal examination of aliens arriving at ports.

Column 5 (able to read or write). The column is subdivided into the columns headed should be either Yes (or the word) and write. No. No one can either read nor write, or Yes-No can read but not write.

Column 6 (nationality). Column 6 should be construed to mean the country of which immigrant is a subject or citizen and last country of last permanent residence.

Column 9 (race or people). The entry in column 9 should show the race or people as given in fact on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" as the alien manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the head of the United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America and [illegible] descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who has come from [illegible] States, or the West Indies, South America, Europe, or Asia. No [illegible] appertaining to [illegible] should be classed [illegible]

[illegible]

The people who are native to the [illegible] parliament of Finland, Russia [illegible] Finnish, Lapp, Esthonian, Livonian, Votiak, Tscheremiss, Mordvinian, Permian, Wotiak, Ostiak, Wogul, Samoyed, and Ugrian. They are also known as "Finns" and "Tschudes."

GREEK.

The people who are native to that portion of Italy [illegible] Greek [illegible] Corcyra, Ionian Islands, Candia, Crete, Rhodes, Cyprus, Asia Minor, Constantinople, Turkey in Europe, Greece, and Greek Archipelago.

Column 10 (last permanent residence). The entry in column 10 should show the city, town, or place of last permanent residence [illegible] for a period of one year or more.

Column 11 (final destination). The entry in column 11 should show the city, town, or place of intended destination.

Column 12 (if going to join relative or friend, and if so, what relative or friend). The entry in column 12 should show whether each individual [illegible] has ever been [illegible] husband, father, mother, brother, sister, relative, friend, or [illegible] party to.

Column 13 (have you paid your own passage, or that of the party you came for). The entry in column 13 should show in each case whether the passage was paid by the individual himself or by others, and if by others, by whom.

Money brought by the head of a family for the use of the family should be divided among the several members of the family.

Column 14 (whether in possession of $50, and whether going to join relatives). The entries in column 14 should show whether or not Yes or No in the United States, and if so, the sum or [illegible] of [illegible] and place, as 1891 97, Philadelphia.

Column 15 (whether ever in prison or almshouse or supported by charity). The entry in column 15 should show whether the alien has been [illegible] and if so, what relative or friend, with name and complete address.

Column 16 (condition of health, mental and physical). The answers in these columns are subject to revision by any inspector in charge in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR PREPARATION OF MANIFESTS.

The information required by the manifest blanks now used by the Bureau of Immigration and Naturalization, under the provisions of the act of February 20, 1907, and by the circulars of instructions issued thereunder, is divided into numbers 1 to 30, inclusive, and 32 to 34, inclusive, as shown by the headings of the columns on the manifest blanks. The number of the column on the manifest blank in which each item of information should be entered is indicated by the figure following the item in the text below, in parentheses. Items not relating to aliens are not included in the following instructions, but the master or commanding officer of the vessel must fill in all the blank spaces on the manifest, including those not relating to aliens, and must sign and make oath to the manifest before the immigrant inspector at the port of first arrival in the United States.

Column 1 (Number). The number of each alien should be entered in this column.

Column 2 (Name in full). The given name and surname of each alien should be entered in this column. Initials may be used for given names, but the full surname should be written. Titles, such as Mr., Mrs., Miss, Dr., Rev., etc., should be omitted.

Column 3 (Age). The age of each alien should be entered in this column. The age of infants under 1 year old should be expressed in months, the latter following the figure 0, to show under 1 year of age.

Column 4 (Sex). The sex of each alien should be shown by the letter M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married) or S (single). Widowed persons should be recorded as single.

Column 6 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, stating specifically the kind of work done by each person. For example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, mechanical engineer, etc.; not merely "engineer." Clerk or salesman, not merely "clerk." Manufacturer, not merely "manufacturer." Laborer, not merely "laborer." Gentleman, lady, or person of independent means should be recorded as such. Do not enter "none" or "housework" in this column. Persons of no occupation, such as children, should be entered as "none."

A distinction must be made between *laborers* and *farm laborers*. Care should be taken to ascertain the exact character of the occupation of every alien who is returned as a laborer.

Laborer means one who works on a farm for the man who employs him.

Farm laborer means one who works on a farm, either on farms of his own or on farms of others.

A *farm laborer* must also work on a farm for the man who employs him.

Steamship companies should make these distinctions in the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien passengers.

Column 7 (Able to read). Column 7 is subdivided, and the word "Yes" or "No" should be entered in each column, as the case may be. Yes means that the person can read; No means that he can not read. Yes. No means that he can read but can not write.

Column 8 (Nationality). Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French," by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the head of United Kingdom of any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

Column 6 (Whether married or single). The entry in column 6 should be either M (married), S (single), W (widowed), or D (divorced).

Column 8 (Occupation). The entry in column 8 should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, Civil engineer, carpenter, bookkeeper, mason, painter, dressmaker, physician, editor, clerk, servant, laborer, farmer, and so forth. A person [illegible] should not be returned as a laborer unless he actually has no occupation, trade, or profession.

A distinction should be drawn between *farmers* and *farm laborers*, as well as the amount of money they have in their possession.

A *farmer* is one who owns a farm or rents a farm either for himself or others.

A *farm laborer* is one who works on a farm for the most wholesome wages.

Steamship companies should make their agents check the manifests and correct errors should be made, if any, before the hurrying and regrets of sailing during the personal examination of aliens.

Column 13 (Ultimate destination). Column 13 is quite important and the entries therein should be either Yes or No, and written Yes. No. Not even the pencil ditto marks " should be used. Yes. No can be read [illegible]

Column 14 (Nationality). Column 14 should be construed to mean the country of which immigrant last became a subject and not country of last permanent residence.

Column 15 (Race or people). The entry in column 15 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "Ireland" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBA.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIES.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICA.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR PREPARING LISTS OR MANIFESTS.

The information required on the manifest (Forms 500, 500-A, and 500-B, new numbers 500, 500-A, and 500-B) under the several columns, including those for cash and tourist, should be made to agree exactly with the following classifications. The number of the column on the manifest is given in the special instruction and is followed, in parentheses, by the number which the column will have on the new forms, indicating briefly the subject to which it relates.

Column 4 (age). The number of age in adult years should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (sex). The entry in column 5 should be either M (male) or F (female).

Column 6 (married or single). The entry in column 6 should be either M (married) or S (single). Widowed or divorced persons should be entered M (married).

Column 7 (calling or occupation). The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each person, as, for example, Civil engineer, carpenter, mason, bricklayer, plasterer, painter, glazier, glass polisher, steel polisher, iron worker, machinist, blacksmith, moulder, engraver, weaver, dressmaker, milliner, tailor, tailoress, tinsmith, locksmith, gunsmith, printer, bookbinder, turner, or other trade.

A distinction should be made between *carpenter* and *joiner*, the former signifying one who is employed in rough work, such as building houses, and the latter one who is employed in the manufacture of furniture, interior finishing, etc.

A *farmer* is one who owns a farm and cultivates it for profit.

A *farm laborer* is one who works upon a farm for the man who operates it.

Steamship companies should carefully examine the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 9 (Able to read and write). Column 9 is subdivided and the entries therein should be either Yes—Yes (1 and 2 yrs.), or No—No, according as read and write, or Yes—No (can read but not write).

Column 8 (Nationality). Column 8 should be construed to mean the country of which immigrant is a citizen or subject (not country of last permanent residence).

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "England" appearing on a manifest does not necessarily mean "English" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central or South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro and the corresponding race in the Islands of the West Indies, North or South America, irrespective of color. Any appearance in the manifests of races or peoples should be corrected [illegible]

[illegible]

The people who are native to the Republic of Panama, in Central America, are particularly [illegible] Panama. [illegible] Panama, irrespective of color, should be entered as "Panaman." Natives of the Republic of Panama should be entered as "Panaman."

CUBAN.

The people who are native to the Republic of Cuba, in the West Indies, are particularly [illegible] Cuban. Persons living in Cuba, irrespective of color, should be entered as "Cuban." Natives of the Republic of Cuba should be entered as "Cuban."

Column 10 (Last permanent residence). The entry in column 10 should show the country of last permanent residence, instead of the country of which the immigrant is a citizen or subject. The entry in column 10 should show the country of last permanent residence, instead of the place from which the immigrant last departed.

Column 11 (Whether going to join a relative or friend, and if so, what relative or friend, with name and complete address). The entry in column 11 should show whether going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 12 to 34. The answers in these columns are subject to revision by any inspection officer at the examination of immigrants.

Column 5 (Married or single).—The entry in column 5 should be either M, married, S, single, Wd, widowed, or D, divorced.

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien. Avoid such indefinite and indescriptive terms as "laborer," "engineer," "agent," "manufacturer," "dealer," "clerk," "mechanic," "servant," "student," "machinist," "miller," "driver," "operator," "contractor," "salesman," "gentleman," "lady," "farmer," "boy," "girl," "child," "man," "woman," "wife," "housework," "none," etc. Such terms as "engineer" (civil engineer, stationary engineer, locomotive engineer), "engineer" (mining engineer), "agent" (real estate agent, insurance agent, emigrant agent), "manufacturer" (cigar manufacturer, shirt manufacturer), "dealer" (stock dealer, fruit dealer), "clerk" (bank clerk, shipping clerk, salesclerk), "mechanic" (machinist, millwright, carpenter), "miller" (flour miller, grain miller), "driver" (horse driver, truck driver), "operator" (telegraph operator, telephone operator, machine operator), "contractor" (building contractor, railroad contractor), "salesman" (traveling salesman, retail salesman), "gentleman" (retired gentleman, gentleman farmer), "lady" (retired lady, lady of leisure), "farmer" (stock farmer, dairy farmer, truck farmer, fruit farmer), "boy" (cash boy, errand boy), "girl" (cash girl, errand girl), "child" (school child), "man" (old man, young man), "woman" (old woman, young woman), "wife" (housewife), "housework" (housework in private family), "none" (no occupation), etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money owned, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes, if able to read and write, or No. No can neither read nor write, or Yes, No can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject, and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of first manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien whose birth, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following definitions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America and race descent.

AFRICAN (BLACK).

"African (black)" refers to the Negro race, such race coming from Cuba, the other Islands of the West Indies, North or South America, Europe, or Africa. Any alien of appearance indicating admixture of negro blood should be classified under this head.

HEBREW.

The people who are native to the basin of the River Don, needlessly [illegible] departments of Piedmont, Lombardy, Venetia, and Emilia, and the cities of Leghorn, Genoa residing in Italy, self-styled, Austria-Hungary, or any other country, shall be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i.e., compartments of Liguria, Tuscany, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, born in the United States, are classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show distinctly the city or town of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show distinctly the place, city or town of final destination.

Column 12 (Whether having ticket to such final destination).—The entry in column 12 should be either Yes, ticket, or No, no ticket.

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, [illegible] other relative, friend, steamship company, etc.

Column 14 (Have they in possession of self and if less than $50 how much).—The entry in column 14 should give, in each case individual or lump, the exact amount, as far as shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not Yes or No in the United States, how, and if so, the year or period of years, and place, as 1901-07, Philadelphia.

Column 16 (Going to join relative or friend, and name, and relationship, if any).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

General Note.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SEC. 1. [illegible] OF BEING ABLE TO READ.

[illegible] Columns 7 and 8 [illegible] Columns 7 is subdivided into two columns, headed respectively Yes. and No. [illegible] Yes. and No. [illegible]

Column 7. [illegible] Columns 7 and 8 should be considered together, and the answers in one or the other of them should be affected by the answers in the other. Thus, if the answer in column 7 is "Yes," that in column 8 should be "No," and vice versa. [illegible]

Column 9. [illegible] Columns 9 and 10 should be considered together, and the answers in one or the other of them should be affected by the answers in the other. Thus, if the answer in column 9 is "Yes," that in column 10 should be "No," and vice versa. [illegible]

Column 11. [illegible] Columns 11 and 12 should be considered together, and the answers in one or the other of them should be affected by the answers in the other. Thus, if the answer in column 11 is "Yes," that in column 12 should be "No," and vice versa. [illegible]

Special attention is directed to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "England" does not necessarily mean "English" by race or people, but "France" by nationality, or "England" by nationality, may mean any one of several races or peoples. EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.

The information required by the manifest Forms 1500, 1500 A, and 1500 B (now numbered 500, 500 A, and 500 B) [illegible] including these in transportation lines should be made in accordance with the following instructions. The number of the column on the manifest is given in these instructions immediately following the printed question in all cases [illegible] has applied to the person [illegible] heretofore [illegible]

Column 1 (date). The entry in column 1 should be expressed in words or abbreviations, the latter preferably [illegible] Jan. 1, 1904.

Column 2 (name). The entry in column 2 should be made [illegible] family name, the Christian name, and the middle initial, if any, of each alien. [illegible] Smith, John W.; Brown, Mary A.

Column 3 (calling or occupation). The entry in column 3 should be made [illegible] the occupation [illegible] the alien has followed for at least six months [illegible] Clerk, servant, laborer, tailor, seamstress, etc. [illegible] "Gentleman," "lady," "none," "child," or "infant" should be entered [illegible] farmer, or other [illegible] occupation.

A distinction should be made between a laborer and a servant, as [illegible] sought to be found in the United States.

A farmer is one who owns or hires and cultivates a farm.

A laborer is one who does general work of any kind without special skill.

A servant is one who is employed in domestic duties.

Steamship companies should make this distinction on the tickets sold, and care should be taken that it is observed by inspectors and registry clerks during the primary examination of aliens arriving.

Column 7 (can read or cannot read). Column 7 is subdivided and the entries therein should be either Yes or No (not read and write). No—No cannot either read nor write. Yes—No can read but cannot write.

Column 8 (nationality). The entry in column 8 should be construed to mean the country of which immigrant is a native or citizen or subject and last country or last permanent residence.

Column 9 (race or people). The entry in column 9 should show the race or people as given in list on reverse side of this sheet.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by the pursers and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean French by race or people, and similarly [illegible] appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cuban, not Negroes.

Spanish-American [illegible] the people of Central and South America [illegible]

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 1500, 1500 A, and 1500 B (new numbers 101, 101 A, and 101 B), such as is applicable to all arrivals, including those in transit through the United States, should be made in accordance with the following classifications. The number at the top of the column in the manifest is given in these special instructions and is followed, in parenthesis, by the full question to be answered, including economic (e), or a descriptive title (indicating briefly the subject to be considered in relation).

Column 1 (Age). The age in each case in column 3 should be expressed in years, or months, the latter applying only to those under 1 year old.

Column 2 (Sex). The entry in column 4 should be M (male) or F (female).

Column 3 (Married or single). The entry in column 5 should be M (married), S (single), W (widowed), or D (divorced).

Column 4 (Occupation). The entry in column 6 should be the occupation, trade, or profession of the person mentioned. Clerks, laborers, and others should not be entered as such, but the specific character of the work performed should be stated, as bricklayer, blacksmith, carpenter, farmer, seamstress, tailoress, bookkeeper, stenographer, typewriter, printer, moldmaker, turner, operative, and the like.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money they have.

Farmer is to be used only in the case of persons owning farms, either free or encumbered, or who are under contract for the purchase of farms, and who are actually tilling the soil on their own account, or directing others in so doing, as managers, superintendents, etc.

Farm laborer is to be used only in the case of persons who work on farms for the owners or managers of the farms, and who do not own the farms they work on.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Columns 5 (Able to read) and 6 (Able to write). Column 7 is subdivided and the entry therein should be either Yes or No. Yes can read and write, Yes—No can read but not write, or No—No can neither read nor write. No can read but not write.

Column 8 (Nationality). The term should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this entire list the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, or the descendants of Negroes in Cuba or other islands of the West Indies, North or South America, Europe, or Africa, who have no admixture of negro blood, known as classified under this race.

ITALIAN (NORTH).

The people who are native to the former Papal States, Tuscany, Modena, Parma, Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, should be classed as Italians (north). Natives of Switzerland, Austria-Hungary, or Turkey, who are of Italian race, should be classed as Italians (north). Natives of these countries who are of Italian race, but who are not natives of Italy proper, should be classed as Italians (north).

ITALIAN (SOUTH).

The people who are native to the former Kingdom of Naples, Papal States (except those included in Italian (north)), Sicily, Sardinia, Calabria, Apulia, Basilicata, Abruzzi, Molise, Campania, Marches, Umbria, and Caltanissetta, and their descendants, should be classed as Italians (south).

Column 10 (Last residence). The entry in column 10 should show the *complete* and *last* home of last permanent residence of the alien, whether city or town.

Column 11 (Final destination). The entry in column 11 should show definitely the place, city or town, of final destination.

Column 12 (Whether having ticket through). The entry in column 12 should be either Yes or No, as the case may be.

Column 13 (Whether paid for by self or other person, and if other person, relationship, if any). The entry in column 13 should show whether passage was paid by the alien himself or by whom passage was paid, as if husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 and how much). The entry in column 14 should give in each case individual or family. The exact amount of money should be shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where). The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the year or period of years and place; as, 1894, 97, Philadelphia.

Column 16 (Whether going to join relative or friend, and if so, what relative or friend). The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to ..... The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The instructions contained in the amended Immigration Laws [sec. 1100 A. and 1500 B. new laws, sec. 100 A. and 100 B. existing laws] including those in Manifest Sheets should be made in accordance with the following classification. The number of the column on the manifest sheet in which special instruction may be found is indicated in parentheses in the [illegible] to which the instruction relates.

[illegible] in column [illegible] expressed in years or [illegible] under 1 year should be given in months. The entry in column [illegible] Female. Column 4 [illegible] Married or widowed. The entry in column [illegible] Yes or No. Column 6 [illegible] Occupation. The [illegible] should be entered as specifically as possible. Such designations as laborer, farmer, gentleman, without occupation, etc., are indefinite and unsatisfactory. A laborer may be a skilled workman, and a gentleman may be a professional man. Inspectors and registry clerks will make this distinction on the basis of information obtained from the passengers. Column 7 is subdivided and the entry therein should be "Yes" or "No." Can read and write. No. No one can neither read nor write. Yes. Can read only. Yes. Can write only. No. Can neither read nor write. Column 8 [illegible] which the immigrant is going. [illegible] country of last permanent residence. Column 9 [illegible] The entry in column 9 should show the race or people as given in list on following page.

Special attention should be paid to the distinction between race and nationality. Aliens' manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing as a manifest does not necessarily mean "French" by race or people, and similarly "England," "Scotland," "Ireland," "Germany," "Austria," "Hungary," "Mexico," "India," "China," "Japan," or "Turkey" does not necessarily mean "English," "Scotch," "Irish," "German," "Austrian," "Hungarian," "Mexican," "Hindu," "Chinese," "Japanese," or "Turkish" by race or people. A native of Ireland, for example, may be a citizen of the United Kingdom or any other country by nationality, but his race is Irish. In this connection the following directions should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

SPECIAL INSTRUCTIONS FOR FILLING OUT MANIFESTS.

The information required on the manifests (Forms 1500 A and 1500 B, new numbers 500 A and 500 B) is to be given in the order in which the columns appear, those in black and figures should be filled in under the following explanations. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, by the letter or letters and figures indicating to the right of the vertical ruling.

Column 2 (Age). The entry of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex). This column is designed to secure the entry of M male, or F female.

Column 4 (Married or single). The entry in column 4 should be M married or S single. Widowed and divorced persons should be entered M.

Column 5 (Occupation). The entry in column 5 should be as nearly as practicable that made by the immigrant himself, as "laborer," "servant," "tailor," "seamstress," "none," etc., and not simply such a term as "farmer," "mechanic," "laborer," "servant," "clerk," "manufacturer," "engineer," "operative," "dressmaker," "milliner," "professional," "skilled," "unskilled," "gentleman," "lady," etc.

A person having no occupation should be entered as "none."

A person having no specific occupation, but working at whatever he can get to do, should be entered as "laborer."

Column 6 (Can read). This column is to be used to show whether the immigrant can or can not read, the entry being simply Yes or No.

Column 7 (Can write). This column is to be used to show whether the immigrant can or can not write, the entry being simply Yes or No.

Column 8 (Prepaid by). The entry in column 8 should be construed to mean the country by which immigrant was prepaid or assisted, or "self" or "parents" if such was the case.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on reverse side of manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be corrected by inspectors and security clerks in this regard. For instance, "English" as applied to a passenger does not necessarily mean "British" by race or people, and similarly "Scotch," "Irish," "German," or "Hebrew" by race does not necessarily mean "Scotch," "Irish," "German," or "Hebrew" by nationality. An alien who is Irish, German, or Hebrew by race or people, and who has become naturalized as a citizen of the United States or of any other country, properly comes under the head of United States or such other country, as the case may be, by nationality. In this connection the following discriminations should be specially observed:

"Cuban" refers to the Cuban people, not Negroes.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

"Spanish-American" refers to the people of Central and South America and Mexico.

[illegible]

The term "Negro" refers to the black race, whether born in the United States or elsewhere.

[illegible]

The term "Hebrew" is not to be used as indicating race or people, but only as indicating religious belief.

[illegible]

Many of the eight (8) heads of races or peoples given in the list on the reverse side of the manifest are self-explanatory, but the following definitions are given for the purpose of more clearly indicating the races or peoples which are to be designated by the several terms:

The entry in column 10 should show whether going to join a relative, or friend, and if so what relative or friend, with name and complete address.

The answers to these questions are to be carefully scrutinized by the inspection officers at the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING OUT LISTS.

The information required in the manuscript lists (Nos. 1400 A. and 1500 B. new numbers Nos. 508 A. and 509 B.) as to relative to immigrants including those in transit and emigrants, should be given in accordance with the following classifications:

Column 1 (No.). The number of each person mentioned in the list should be expressed in figures, the number of the column on each sheet, and the number of the sheet, as 1-1, 1-2, 1-3, 2-1, 2-2, 2-3, and so forth, up to and including the last person. Use a new line for each person mentioned.

Column 2 (Name in full). Enter the surname (family name) first, the Christian name (or names) and the middle name (or initial), if any, last. Thus: Smith, William H.

Column 3 (Age). Enter the age of each person on his last birthday. Infants under 1 year of age should be stated in months, as 6 mos., 11 mos., etc.

Column 4 (Sex). Enter the sex in column 4 by the letter M. for male or F. for female.

Column 5 (Married or single). Enter the letter M. for married, S. for single, W. for widowed, or D. for divorced.

Column 6 (Calling or occupation). The entry in column 6 should be the occupation habitually followed by the immigrant, whether professional, skilled, or unskilled, as Lawyer, Merchant, Clerk, Tailor, Seamstress, Servant, Laborer, Farmer, Farm laborer, Stockman, Herder, Cowboy, Miner, Engineer, Weaver, Dressmaker, Operative, Housekeeper, Boy, Girl, Child, or Infant, as the case may be. Persons of all ages, including infants, should be given some occupation.

A person who has been engaged in a particular calling for a short time only, or who has been out of employment for a long time, should nevertheless report the calling which he usually follows.

A laborer is one who performs rough work requiring little or no skill. A farm laborer is one who works on a farm. The term corresponds to L.

Steamship companies should make the classifications, the manifests and corrections should be made, if necessary, by inspectors and registry clerks, during the personal examination of each arrival.

Column 7 (Able to read and write). Answer in each case solely Yes and the entry therein should be either Yes or No. Do not write Y. or N. or any other word nor write — or Yes—No (can read, but cannot write).

Column 8 (Nationality). The entry in column 8 should be governed by the question which immigrant [illegible] to what country of last permanent residence.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on reverse side as above mentioned.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following definitions should be specially observed:

CUBA.

The terms "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

[illegible]

Special Attention [illegible]

[illegible]

African (Black) refers to [illegible] Africa. Negro is sometimes used to [illegible] Islands of the West Indies. [illegible] appertaining to the African race.

[illegible]

The people who are native to that part of [illegible] Peninsula [illegible] pertains to the Iberian Peninsula [illegible]

Column 10 (Last residence). The entry in column 10 should show the last permanent residence of the immigrant, whether in a city or town.

Column 11 (Final destination). The entry in column 11 should show the ultimate destination, as far as known, of the immigrant, whether in a city or town, not merely the name of the State or Territory. Do not write "Same" or "Unknown."

Column 12 (If having a ticket to final destination). The entry in column 12 should be "Yes" or "No," as the case may be.

Column 13 (Whether going to join a relative or friend, and if so, what relative or friend, with name and complete address). The entry in column 13 should show whether going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 14 (Have you ever been in the United States, how long, and where?). The entry in column 14 should show whether the immigrant has been in the United States before, and if so, the year or period of years and place, as 1891-95, Philadelphia.

Column 15 (Whether having paid own passage or whether paid by other person or by what other person or corporation). The entry in column 15 should show whether the passage was paid by the immigrant himself, whether by relative or friend, whether by steamship company, etc.

Column 16 (Whether in possession of $50 and if less how much). The entry in column 16 should state in each case individual possession of money and amount, if money is shown.
